

## Empowering Adult ELLs Through Engaging ESOL Instruction

**Workshop Overview:** This workshop is tailored for adult education ESOL instructors working with English language learners (ELLs). The session is designed to be hands-on and interactive, focusing on the four core language skills: reading, listening, speaking, and writing. Participants will also explore integrating the English Language Proficiency Standards (ELPS) for Adult Education, utilizing data-driven instruction, and incorporating digital literacy tools to enhance 21st-century skills.
